

4 April 1983

MEMORANDUM FOR: Chief, Security Analysis Group

25X1 FROM:

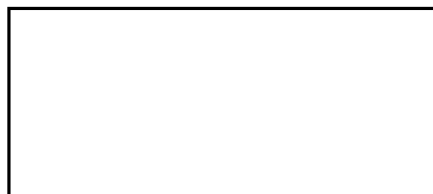

SUBJECT: Roland Dallas - Editor of Foreign Report

25X1 1. [] of the CIA Office of Public Affairs informed OS/SAG of the following conversations she had with Roland Dallas, Editor of Foreign Report. Foreign Report is a weekly newsletter from Washington put out by the Economist of London, which in the past has printed classified CIA information known to be in the possession of Jack Anderson). (S)

25X1 2. Dallas called [] the morning of 25 March 1983 and asked to meet with CIA officials to obtain their opinions on what his publication has been printing about CIA. Dallas added that he obtains the classified CIA information from a "correspondent he trusts." [] indicated she would return Subjects call. 25X1 She then called the undersigned who informed her that several Foreign Report newsletters have printed identical classified CIA items that had appeared in Jack Anderson columns. (S)

25X1 3. When [] called Dallas she indicated that he could not meet with CIA officials. She added that some CIA officials believed that Foreign Report was obtaining its classified CIA information from Jack Anderson. Dallas paused after [] statement and then said "yes, that is possible in some cases." (S) 25X1
